### ***BIOLOGY AND BIOTECHNOLOGY***

---

---

***Agadzhanov V.R.***

On changes in human body condition during  
the performance in personal protect clothes  
at the air temperature of 10 °C and 50 °C ..... 4

***Malanin D.A., Zhulikov A.L., Novochadov V.V.***

Morphology of regeneration in experimental  
non-full-thickness defects of hyaline cartilage  
after their cold ablation ..... 8

***Lyabin M.P., Semenov P.S.***

Improved technology obtaining chitosan ..... 17

***Zaitsev V.G., Litus E.A., Zhdanova A.V.***

Different changes of the serum albumin cobalt-binding capacity  
induced by various oxidants ..... 22

***Mikheyev A.V.***

The parametric aspects of classification  
of signal elements of mammals' information field ..... 26

### ***ECOLOGY AND NATURE MANAGEMENT***

---

---

***Anopin V.N.***

Adaptive-and-landscape approach to the recultivation  
of degraded urbanized territories of the Lower Volga region ..... 31

***Kirillov S.N., Kholodenko A.V.***

Management anthropogenic impact  
in the natural parks of the Volgograd region ..... 40

***Kirillov S.N., Frolov M.Yu., Nefedov I.V.***

Medical and ecological aspects of the estimation population health ..... 49

***GEOGRAPHY AND GEOINFORMATICS***

---

---

***Plyakin A.V., Kozyreva V.N.***

Methodological approaches to the registration of the natural resource factor  
in sustainable development management of the municipal unions ..... 53

***Rulev A.S.***

Landscape-geographic research of the Lower Volga region steppe landscapes ..... 59

***Ryabinina N.O.***

Physico-geographical (landscape) zoning as a basis for singling out etalon landscapes  
of Volgograd region ..... 69

***Kulik K.N.***

Cartographic-geoinformation support landscape-ecological research ..... 76

***PSYCHOLOGY AND PSYCHOPHYSIOLOGY***

---

---

***Bulanova I.S., Chernov A. Yu.***

Classification of the types religious experience ..... 82

***Palkina T.S.***

Integration of psychological and economic knowledge on the example of consumer behavior ..... 88

***Svetlova A.S.***
