

# Volgograd State University report on SDG3

TARGET 3•B

SUPPORT RESEARCH, DEVELOPMENT AND UNIVERSAL ACCESS TO AFFORDABLE VACCINES AND MEDICINES

VolSU collaborates with local and national health institutions:

- Volgograd Regional Perinatal Center No. 2
- North Caucasian Federal Scientific and Clinical Center of the Federal Medical and Biological Agency (Pyatigorsk, Sochi)
- Volgograd Medical and Diagnostic Centers of Magnetic Resonance Imaging and Multispiral Computed Tomography of the Sergey Berezin Medical Institute
- Medical Center "Sphera"
- Multidisciplinary center for medical diagnostic services "EMPO"
- Medical Center "Profmed"

TARGET 3•7

UNIVERSAL ACCESS TO SEXUAL AND REPRODUCTIVE CARE, FAMILY PLANNING AND EDUCATION

TARGET 3•8

ACHIEVE UNIVERSAL HEALTH COVERAGE

Each year VolSU employees undergo a medical examination at the expense of the university with the support of the VolSU Labor Union.

VolSU has a "VolSU is a territory of healthy lifestyle" programme aimed at promotion of healthy way of life for students and academic staff. Programme includes student and academic staff health monitoring, improving the forms and methods of treatment-and-prophylactic care, organization of thematic exhibitions, open lectures etc.

TARGET 3•A

IMPLEMENT THE WHO FRAMEWORK CONVENTION ON TOBACCO CONTROL

Students and staff can get a free psychological consultation at the University Campus from Monday to Friday.

University shares a sports ground and playing field with general public.

VolSU annually holds an event dedicated to attracting general public's attention to the problem of AIDS and HIV.

It is prohibited to smoke in the university premises and outside. The exception is the specially designated area: the intersection of buildings A and B.

VolSU has psychological club "My Start" which purpose is psychological education and improving the psychological culture of schoolchildren and students and where leading experts in philosophy, psychology, and the theory of argumentation help students to solve specific life problems and to find their mission.
