

Volgograd State University report on SDG 16

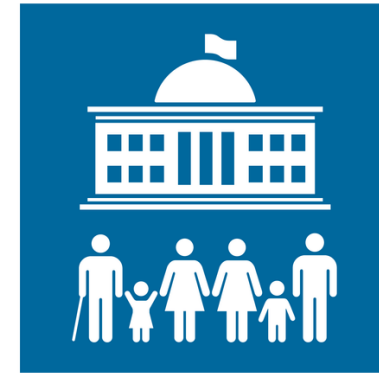

The Student's Council and employees of VoISU take part in the elections of the university's rector.

The Student's Council of VoISU was created according to the Federal Law "On Education in the Russian Federation". The purpose of the Volga State University Student Council is to integrate students to solve social, implement socially significant youth initiatives and increase the involvement of students in the activities of student self-government bodies; strengthen interregional and international relations between various educational organizations, promote the implementation of socially significant youth initiatives

TARGET 16-A

STRENGTHEN NATIONAL INSTITUTIONS TO PREVENT VIOLENCE AND COMBAT TERRORISM AND CRIME

TARGET 16-5

SUBSTANTIALLY REDUCE CORRUPTION AND BRIBERY

VoISU has and follows the university's principles and commitments on organized crime, corruption & bribery.

The University annually publishes financial reports about the university's revenues, expenditure and salaries of Rector and Vice-Rectors.

VoISU has the Supervisory Board of VoISU, which ensures cooperation between University and local stakeholders and has a written policy.

The main goals of the Supervisory Board are to ensure cooperation between University and public, to pursue a policy that ensures the dynamic development of the University and to ensure the observance of the objectives, in the interests of which the autonomous institution was created.

VoISU Center for public diplomacy implements collaboration with local government departments to create a internationalization-focused policy.

Center for Public Diplomacy hosts regional and international forums and conferences on the basis of VoISU. Forum for public diplomacy also is annually held.

Center for Public Diplomacy hosts regional and international forums and conferences on the basis of VoISU. Forum for public diplomacy also is annually held.

TARGET 16-6

DEVELOP EFFECTIVE, ACCOUNTABLE AND TRANSPARENT INSTITUTIONS

TARGET 16-B
